2. EXECUTIVE OVERVIEW & ORGANISATIONAL CAPABILITY

Kevron Consulting UK Limited is a specialised Health, Safety, Environmental (HSE), Risk Management, and Statutory Business Assurance consultancy operating across the United Kingdom and internationally. As part of the wider Kevron Group, we provide tier-1 contractors, public sector bodies, infrastructure developers, and multi-sector corporate clients with verified statutory compliance, ISO management systems, CDM 2015 advisory, dynamic risk audits, and workforce competence programmes.

Our delivery model combines high-level regulatory expertise under UK statutory frameworks (HASAWA 1974, MHSWR 1999, CDM 2015) with agile, fixed-fee and retained engagement structures.
